Subject: OH Industry Mtg Day

Good afternoon Laura. I meant to get you this message weeks ago...and now it's November. Sorry

We have our OH EPA/R5 industry day coming up on Nov 19, and I was wondering if we could add time to your visit in the afternoon to talk about a few water and air issues?

AMG Update
OH Nuisance Air Provision
Lake Erie MOU
CAFO Transfer check-in
Any other pressing Issues?

Might be a nice opportunity to get Our teams together and checkin to make sure progress is occurring.

Let me know your thoughts. would be happy to discuss details.

Thanks and have a great weekend,

Kurt
